FILM FESTIVAL

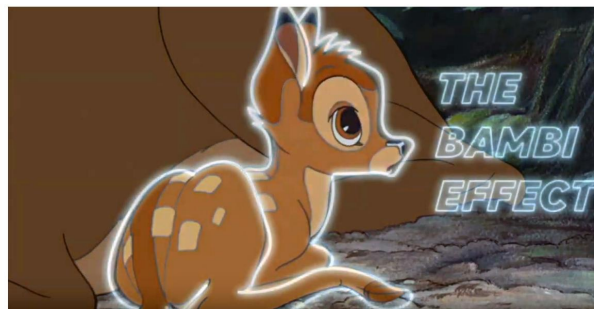

10 years of inspiring change

virtual
screening

April 24

6:30 pm central time

Preparing to watch the films

Facilitator *Sue Crothers*, Founding Director of the Young Filmmakers Contest

Kenzie & Karli - check out [Sierra Club](https://addup.sierraclub.org/campaigns/help-pass-hr2854-to-stop-bee-killing-neonics-on-national-wildlife-refuges) campaigns and sign their petitions to stop the use of neonicotinoids. <https://addup.sierraclub.org/campaigns/help-pass-hr2854-to-stop-bee-killing-neonics-on-national-wildlife-refuges>

Maddie - plant native wildflowers this spring.

Matthew - just take a moment out of your busy day to stop and take in the natural world around you.

Eliza - donate to the [Humane Society](#) which supports the distribution of the PZP vaccine for female deer.

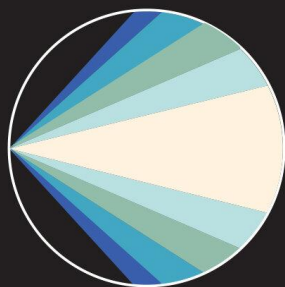

Anna Lee - learn more about [Just Roots Chicago](#) and Saint James Catholic Church's community farm here.

Lexie - donate to local small shelters or your local humane society.

Mark - next time you experience a thunderstorm, take a moment to appreciate the incredible beauty and chaos of the lowest layer of our atmosphere.

Sue - donate to the [One Earth Film Festival](#) and the [Young Filmmakers Contest](#).

thank you
