# Loud III

## Immediate actions:

- Share what you watched today with your community
- Read the book "Biomimicry" by Janine Benyus
- Check out the Biomimicry Institute's website
- Go outside and reconnect with nature
- Support educational programs for children and young people to connect and be in deep contact and learn from nature

# Louder IIII

## Habitual actions:

- Make getting outside a daily practice: listen to and watch the birds, look closely at flowers, sit under the shade of a tree.
- Create conditions conducive to life at home such as plant native species, leave the leaves, and don't use pesticides
- Find a local biomimicry group and take a biomimicry class/workshop
- Pursue professional training (see next slide)

# Loudest IIIII

## Actions at scale:

- Build a network
- Send a group letter to an elected official and hold them accountable at all levels of government
- Become a speaker or content creator
- Serve on a board
- Run for office

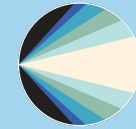

# thank you!
